

## State Highway Safety & Law Enforcement Agencies Choose Virtual Driver Interactive for Driver Safety Programs

*VDI Meets Federal "Buy America" Requirements and Wins Colorado State Patrol, Illinois State Police, Maine Bureau of Highway Safety and Wyoming Department of Transportation*

**EL DORADO HILLS, CA. Feb. 2, 2015** – Virtual Driver Interactive, Inc. (VDI), the leading provider of simulation-based driver training solutions, announced their commitment to the Buy America provisions ensuring that their simulation-based training products are built with American-made products. In complying with the 1933 Buy American Act (41 U.S.C. 10a-10d) and the Buy American provision of the American Recovery and Reinvestment Act of 2009, VDI is pleased to announce that multiple state organizations including Wyoming DOT, Illinois State Police, Colorado State Patrol, Maine Bureau of Highway Safety and others have chosen VDI for its industry leading simulation-based driver safety products.

*"We are proud that our intellectual property, product design, assembly, software development and support comply with the Buy American Act," said Bob Davis CEO and President of Virtual Driver Interactive. "Working together with like-minded state organizations, together we can make sure that the American economy reaps the full benefits of states choosing U.S.-made products in all purchases."*
